FLEXIBLE FINANCIAL SERVICES

This program meets the ASIC licence requirements for RG206.

Achieve your ASIC licensing needs with industry experts. Undertake this online program to meet ASIC licensing requirements and meet compliance requirements.

The licensing and CPD requirements for RG206 in relation to competence and training for you or your staff do not need to be a headache.

The College has a number of options that can be easily tailored to fulfil your compliance obligations, and in some cases will be paid for under government funded programs*.

On completion of the course, students will receive a Statement of Participation which outlines the modules covered and the CPD points attained.

DID YOU KNOW?
Competence and training requirements
• differ between Responsible Managers and Representatives, and
• are dependent on the various types of lending roles

Qualifications and training needs to
• be regularly updated (RG206.13 (b)), and
• comply with specific training outcomes (RG206.87 Table 2)

Continuing Professional Development
• is mandatory (10 – 30 hrs annually) and
• needs to be documented (RG206.13)

ONGOING TRAINING
Our online CPD program satisfies the requirement of 20 CPD hours per year, so it makes sense to fulfill all your CPD requirements in one place.

There are two options to choose from.

Option 1 consists of
• On-line quizzes of 2 CPD hours each - 10 quizzes every year
• A new topic each month focuses on the latest developments in the credit industry
• A Knowledge Update Review for certain Representatives
• A Statement of Participation will be issued to add to your portfolio

Option 2 consists of
• Obtain or upgrade to a Diploma of Credit Management
• Course completion takes seven years which means your CPD requirements, and the need for currency will be met during this time
• Statement of Attainments will be issued for each year confirming your progress
